

## **PROTECTING GOD'S CHILDREN TRAINING PRE REGISTRATION**

The site is [www.diocese-kcsj.org](http://www.diocese-kcsj.org) then you should select Safe Environment on the left and then Workshop Calendar at the bottom. You will see all sessions being offered in the diocese and a link to register online. Then just fill in the form and show up at your session!

You will receive your certificate of attendance after the session and should keep your original and make copies to turn into your Athletic Director and any other director of children's programs in the diocese where you volunteer.

Thanks for the time you give to our schools and our kids!
